September 2011

Ultimate Choice merges with Affordable Business Systems!

We are proud to announce that Glen Ferry and Ultimate Choice Office Equipment & Repairs in Melfa, Virginia has merged with us! For over 8 years Ultimate Choice customers have received outstanding customer service and this merge will continue that tradition.

About Glen

Glen is now the Branch Manager of our office located at 165 Market St., Ste 2 in Onancock. As an Eastern Shore native, Glen has a history of community involvement coaching youth sports, sports boosters, and many other activities. Glen, his wife Teresa, and their 3 children live in Melfa.

A KILLER

Since the mid 1980's Rotary International's Polio Plus program has fought to eradicate polio world wide. Working with our partners, RI has helped to immunize more that 2 billion children. Polio cases have declined more that 99% and the number of Polio endemic countries dropped from 125 to 4.

After 20 years of hard work, Rotary and its partners are on the brink of eradicating this tenacious disease, but a strong push is needed now to root it out once and for all. Your contribution will help Rotary raise \$200 million to match \$355 million in challenge grants received from the Bill & Melinda Gates Foundation. The resulting \$555 million will directly support immunization campaigns in developing countries, where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families. As long as polio threatens even one child anywhere in the world, children everywhere remain at risk.

To support this worthwhile cause, for every color copier we sell during the month of September and October, ABS will donate \$50 to Rotary for the Polio Plus campaign. If your organization is going to be investing in a new color system anytime this year, September or October would be an ideal time in order to be a part of this great effort. If you are not looking for a new color system at this time but want to learn more about the Polio Plus campaign, you can go to www.rotary.org and click on the "end polio now" box at the bottom of the page.

Donate now to help Rotary achieve a polio-free world!

*"If we all have the fortitude to see this effort through to the end, then we **will** eradicate polio"*

Thank you for taking the time to read this newsletter!

At ABS we want to be a resource to help your business prosper!

If you have any questions we are here for you!
